FIND US ON SOCIAL MEDIA 😊

Eveli Soo, Head of International Marketing

2017
Keep yourself up to date!

• In UT social media we share things like:
  • student life and experiences
  • university events
  • scientific discoveries
  • notable achievements by students
  • beautiful photos of Tartu and University of Tartu
  • … overall things related to the university, Tartu and sometimes Estonia in general

A lot of news

Twitter: @tartuuniversity
Play a semiotical game of Greimas Puzzle

You may know what is semiotics (as simple as I can put it, it is a study of sign systems and their meaning), but I am sure you do not know what is a Greimas Puzzle.

And now here is a very short story time for you, how I as university student invented or created a game of Greimas Puzzle.

UT news, views, ways

We look forward to contributions from YOU!

You can write about anything you have a passion for and that has a connection to the University of Tartu.
We share fun things and events related to our university

We introduce OUR PEOPLE

We choose the Instagram Photo of the Week! (use #unitartu)

Competitions & takeovers
Instagram: @unitartuscience

Managed by our university’s scientists
Share their discoveries, fieldwork, experiments, everyday life
VK: vk.com/unitartu
