Congratulations on exploring your career opportunities with FAST and taking the first step to becoming a FASTie! A FASTie? Yes, a FASTie.

FAST-ie \faeste\ noun

1. an energetic, intelligent, enthusiastic person who works at Fast Enterprises. 2. a person dedicated to modernizing government technology to better serve the general public. 3. someone who is open to adventure and wants to experience new places around the world. 4. someone who enjoys collaboration with clients and camaraderie with teammates while solving business and technology problems.

If the description below speaks to you, take 5 minutes (seriously, only 5 minutes) to apply!

Fast Enterprises is looking for an Implementation Consultant/Software Developer for our IT project with Finnish Tax Administration, which is in the Hakaniemi area of Helsinki. We are looking candidates who are willing to relocate to the Helsinki area (with our assistance). Candidates must be fluent in English; preference will be given to candidates who are proficient in both English and Finnish.

As an Implementation Consultant on our team, you will be involved with all phases of the implementation of our GenTax® software solution on our project located in Helsinki, Finland. We are looking for entry level candidates (with less than 5 years of professional experience), who understand the technical aspects of systems implementation as well as the business needs of our clients. Employees will participate in the full project life cycle from requirements gathering through production support.

Our developers need to have strong technical and communication skills, enabling them to interact with client sites and detail system functionality.

Eligible candidates should possess a degree in:

- Computer Science,
- Computer/Management Information Systems, or
- Mathematics

FAST may also consider candidates from other areas of study when supplemented with technical experience or aptitude.

Exposure to specific technology is not required. However, experience in the following areas is desirable:

- MS Visual Basic.NET
- Oracle DBMS or MS SQL Server

Application instructions:

Email a copy of resume and transcript/academic record (unofficial copy is sufficient) to sbruet@fastenterprises.com.
