University of Information Technology and Management in Rzeszów, Poland will be accepting students for 2-5 month for Erasmus+ traineeships placements in two following departments:

1. **International Recruitment and Academic Exchange office**
2. **Institute for Financial Research and Analysis**

The traineeship, including tasks to be undertaken by the student, will be individually agreed upon, to ensure the best outcome for both student and university.

All applications must be accepted by the home university and every student must have sufficient knowledge of English (at least B2, supported by a respected certificate).

To apply, send the CV and Cover Letter to Ms Lidia Lejko: llejko@wsiz.rzeszow.pl. This is also where you should refer any questions.
